FIDIC International Infrastructure Conference 2018

Dear colleagues,

It is with great pleasure that we cordially invite you to the **FIDIC International Infrastructure Conference**. From the 9th to the 11th of September 2018, Chief executive professionals of the global Consulting Engineering industry will gather together in **Berlin, Germany**.

Please find attached **FIDIC Conference Flyers** and the **FIDIC Sponsorship & Exhibition Brochure** which includes a set of interesting and valuable opportunities and benefits for your member firms.

You will find more information at the FIDIC Conference website online at www.fidic2018.org

We would appreciate it if you could please share this information with your members, colleagues and partners.

We look forward to welcoming you in Berlin!

Best regards,

Enrico Vink
Managing Director
